Fourth Annual Foundation Golf Tournament at Rose Creek was huge success

The WEOKIE Foundation held its fourth annual golf tournament on Thursday, June 3 at Rose Creek Golf Course. Although the day started out with a hint of rain and a cloudy sky, it ended up being the most successful golf tournament yet.

This year's tournament raised nearly \$26,000 for the WEOKIE Foundation. This money will be instrumental in continuing the Foundation's mission of charitable giving, providing scholarships, and financial education. A sincere thanks to all who continue to make this event bigger and better each year.

The tournament featured a two-person scramble format. Lunch was provided by Earl's Barbecue at the close of the tournament for all participants. A raffle drawing for door prizes totaling more than \$1,000 concluded the festivities.

Money raised through the Foundation will be used for educational

scholarships and for other charitable contributions.

The WEOKIE Foundation provides a formal avenue of charitable giving for WEOKIE Credit Union. Incorporated as a 501(c)(3), the Foundation is governed by an appointed volunteer Board of Directors. Contributions to the Foundation are tax deductible to the full extent provided by law. Visit www.WEOKIE.org to learn more about the Foundation.

Did you know...

WEOKIE offers several services such as Mechanical Breakdown Insurance (MBI) and GAP Advantage to keep you and your loan secure in the event your vehicle needs mechanical repairs or is totaled in an accident? WEOKIE offers this additional protection for minimal cost (usually hundreds lower than a traditional vehicle dealership). In many cases, the cost can simply be applied to your loan.

WEOKIE offers top-of-the-line vehicle extended warranty coverage through Old Republic that will save you hundreds of dollars from comparable programs offered by the manufacturer. Since WEOKIE's relationship with Old Republic began 18 years ago, \$2,102,607 in claims have been paid. Old Republic Extended Protection Plans are 100% insured by Old Republic Insurance Company, rated A+ (Superior) by the A.M. Best Company.

Features & Benefits

- Superior Component Coverage
- Cap on Rising Costs of Mechanical Repairs
- Direct Payment for Repairs to the Repair Facility
- Full Claims Service Monday through Saturday
- Increased Resale Value for Vehicles
- Transferable Coverage Should Member Sell Vehicle
- Several Coverage and Mileage Term Options to Meet Individual Needs
- Program Administrator is a Member of the Old Republic Insurance Group of Companies with over 30 Years of Experience in the Automobile Warranty Business

In addition to the MBI coverage, for a one-time low fee, GAP Advantage coverage protects your vehicle investment from rapid depreciation that typically occurs in the first few years of ownership. GAP Advantage covers the difference between your primary carrier insurance settlement and the payoff of your loan. Included in this difference is your insurance deductible up to \$1,000 and an additional \$1,000 applied to the balance of a new vehicle loan financed at WEOKIE. For example, your vehicle is declared totaled following an accident and the insurance company determines your vehicle's value is \$10,000, however, your loan balance is \$12,000. The GAP Advantage coverage would cover that additional \$2,000 it would take to pay off your loan balance, plus you would receive up to \$1,000 of your insurance deductible and \$1,000 credit on your new loan when financed at WEOKIE.

Wow, what a great peace-of-mind knowing you are protected. Visit www.WEOKIE.org today to learn more about these and other benefits offered to you just for being a member of WEOKIE.

Your debit card may be at risk for declined charges

Do you enjoy the convenience of using your debit card for purchases, and knowing your transactions will be accepted, even if your account is short of funds?

This is your chance to protect your account before new federal regulations take effect.

New federal regulations require changes to overdraft programs currently protecting your debit card(s). What does this mean for you? Imagine you are in line to pay for your purchases at the store and your debit card gets declined due to insufficient funds. Not only are you left without a way to pay for the items you need, but you are embarrassed. Without this debit card protection, purchases will no longer be covered when your account is short on funds. Your purchases **will be declined**. You are **REQUIRED** to tell us if you want your account protected.

- Visit our Web site at www.weokie.org, complete the form for Overdraft Authorization, and click submit **OR**
- Call us at 1.800.678.5363 or 405.235.3030 **OR**
- Visit one of our branch locations and request to continue your current services.

IF YOU DO NOT CONTACT US, THIS CONVENIENCE WILL BE REMOVED FROM YOUR ACCOUNT(S), as required by federal regulation guidelines. Transactions without sufficient funds will be declined. When you contact us, please tell us on which accounts you want this service to continue.
